

Temporary teacher seeking permanency: Request for QTU assistance

As a financial QTU member, temporary or contract teachers having difficulty gaining permanent employment with the Department of Education and Training (DET) can request assistance from their local QTU Organiser.

Before submitting this form, please ensure you have:

- read the QTU brochure:
 - "Conversion of temporary teachers to permanency"
(www.qtu.asn.au/brochures-conversion-permanency)
- a copy of your current statement of service which can be requested through your school business manager or regional office. (It should include: start and end dates of contracts; locations of contracts; and year levels and/or subjects taught.)
- made sure your contact details are up to date with both the QTU and DET.

Please note:

Requesting QTU assistance in seeking permanency does not give you priority over other applicants, and does not guarantee the Union will obtain a permanent position for you.

Keep your details up to date online at our website:
