

# Writing annotations

**Descriptor**

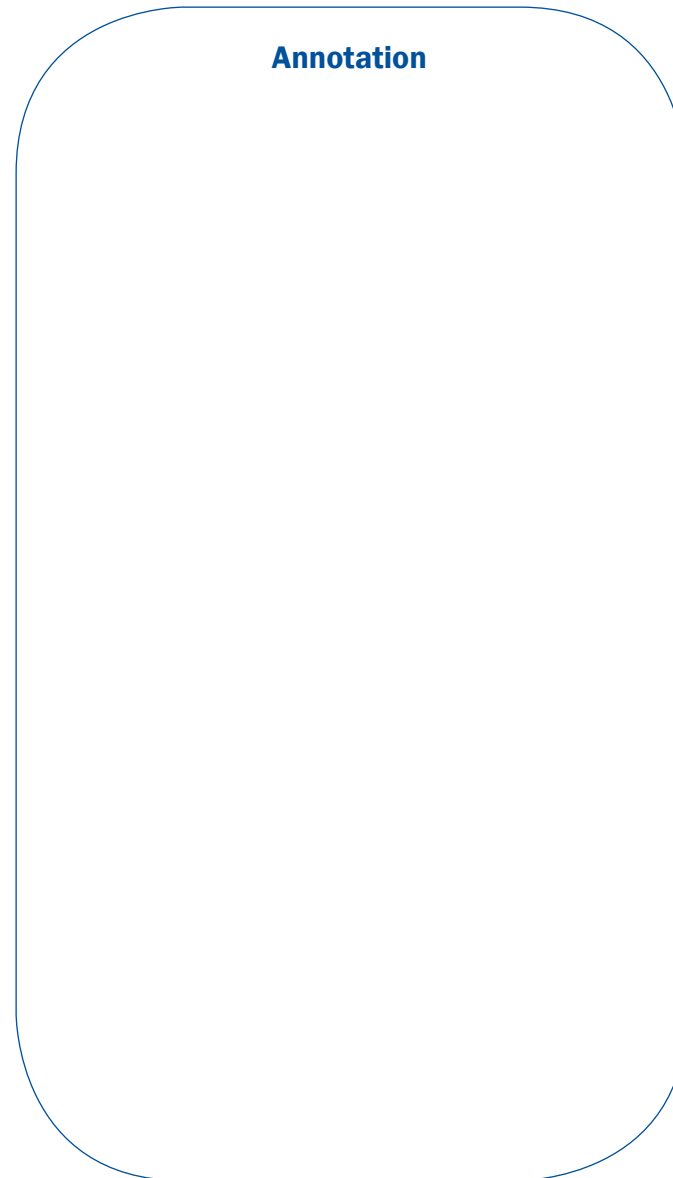

+

**Evidence**

**Annotation**

## Checklist

- Length (approx. 150 words for an individual descriptor)
- Identifies the descriptor
- Why/how evidence demonstrates achievement of the descriptor
- Identifies your individual contribution
- Impact – colleagues' practice (where applicable)
- Impact – student outcomes (where applicable)
- Explicitly links the evidence and the descriptor
- Doesn't refer to any actions or outcomes not evidenced
