**Why two unions?** The QTU represents teachers in the state school system and the IEUA-QNT represents teachers working in the non-government education sector.

## TEACHER SALARIES

Both unions regard campaigning with members for the improvement of teachers' salaries as one of their most important roles.

## IMPROVED CONDITIONS

Unions have won many of the conditions teachers now take for granted, including smaller class sizes, the Remote Area Incentive Scheme, non-contact time, improved permanency and better behaviour management support.

## DEMOCRACY IN ACTION

Our success as campaigning unions is built on the active involvement of members at all levels.

## STANDING UP FOR SCHOOLS

We care about our school systems and campaign hard to ensure that all schools get the resources they need, whichever sector they are in.

## IT'S YOUR PROTECTION

Things can go wrong, and being a member of your union means you have someone on your side if needed.

## LEGAL ASSISTANCE

Teacher unionists have the reassurance of the best legal and professional protection available.

## GRIEVANCE SERVICE

Need support? Unions regularly take up the cases of members who are unjustly treated.

## INFORMATION AND ADVICE

The QTU and the IEUA-QNT both have expert staff and help desks offering members immediate advice on pay, leave and general working conditions.

## PROFESSIONAL SERVICES

The unions represent teachers at the Queensland College of Teachers, the Queensland Curriculum and Assessment Authority, and on university committees and professional advisory groups.

Education students are eligible for simultaneous associate membership of **both** of Queensland's teachers' unions, giving you access to:

- legal and officer assistance with practicum teaching in schools
- access to professional development and networking events with other members
- union journals, newsletters and communications
- industrial support and help desks
- use of union libraries
- admission to branch meetings
- access to member benefits including Union Shopper and Teachers' Union Health.

## What's more, it's **FREE!**

You will not have to pay a dollar in membership fees until you land your first job, whether that's with the Department of Education or in the non-government sector.

## Membership

**PLEASE NOTE:** you will receive two memberships, one from the Queensland Teachers' Union (QTU) and one from the Independent Education Union of Australia - Queensland and Northern Territory Branch (IEUA-QNT). You will need to notify both unions if you wish to resign your membership at any time.

As a student teacher, you are eligible for dual associate membership of both the QTU (which represents teachers in the state system) and the IEUA-QNT (which represents teachers in the non-government sector).

You do not have to choose which union to become a full member of until you secure paid employment, when you will be directed to the union that represents teachers in your sector. A reciprocal agreement exists to ensure that members of either union who undertake supply/casual teaching in the other's jurisdiction will be fully covered.

Should you wish to apply for associate membership of just one union, please indicate below.

- I only want to be a student member of the QTU
- I only want to be a student member of the IEUA-QNT.
