The Queensland Teachers' Union is holding its first major conference for education leaders since the pandemic began. This two-day event takes place at the Brisbane Convention and Exhibition Centre, South Brisbane on Monday 25 July and Tuesday 26 July.

In a fast-changing education landscape, knowledge is everything to today's school leader. Our conference, which is titled "United Leadership", has a focus on both the professional and industrial aspects of leadership in schools. It will provide you with a deeper understanding of current issues and offer an update on the latest developments at the state and national levels.

The registration fee for the two-day conference is \$350 (inclusive of GST). It is also possible to attend either the Monday (25 July) or Tuesday (26 July) at \$175 per day (inc GST).
